# INCHEON

Boasting the nation's second highest number of shooting locations for movies and dramas (behind only Seoul), Incheon offers a great deal of Hallyu (Korean Wave) content for travelers to enjoy, such as movies, music videos, and arts and entertainment. This is just one of the ways that modern living comes to life in contemporary Incheon. The Open Port Street and Chinatown are two local examples that offer unusual tourist sites and a glimpse of the old city center. Incheon's colorful attractions are often introduced as popular locations for producing Hallyu content.
